Re: **PETITION FOR REVIVAL OF APPLICATION**
Application No: 10/642,886

In accordance with 37 C.F.R. 1.137(b), the Applicant of the abovementioned application requests to revive the application. The application became abandoned following failure to file a reply to a 'Notice of Non-Compliant Amendment' dated 4 September 2007.

The delay in filing the compliant amendment was unintentional. Our late response to the Notice was due to clerical error as a result of a change of staff within our office. Prior to our paralegal position being refilled, the Notice was unintentionally overlooked.

Thus, the failure to file the reply within the requisite period occurred unintentionally on behalf of both the Applicant and our office.

The petition filing fee of \$770.00, "Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b)" and compliant amendments to the claims are attached herewith.

Yours Sincerely
Oren Reches, Adv.
